SUPERINTENDENT'S MESSAGE

Congratulations to the graduates of the Class of 1991. Suddenly the routine, the bus rides, the early mornings, are over. You are about to become involved with a new life, hopefully a life of personal discovery and vocational fulfillment that your education and carefully developed skills will help to create.

Remember, as you pursue your personal and professional goals, that failure or success will now largely depend upon you. Your teachers, guidance counselors, coaches and advisors will no longer be there to provide those moments of encouragement and understanding that were needed from time to time. Please do not forget the years that you have spent here at Greater Lowell, for they certainly represent one of the most significant stages in your development.

The Class of 1991 has left a legacy to the Greater Lowell Regional School District and community. Our clubs and organizations have engaged in community projects and competition, which have enabled us to display some of the most highly skilled students we have ever produced. Our athletic successes in the area of sportsmanship have gained for us a well-deserved status as a highly respected high school athletic program. The students from the Class of 1991 should never forget the many contributions they have made to the Greater Lowell community. The entire community has benefited from your enthusiasm, skill, and spirit.

In closing, I wish you much success and fervently hope that you will all use your years at the Greater Lowell Regional Vocational Technical School as the springboard for becoming truly positive forces in the community in the years to come.

in Memory of . . .

Harry Donovan was a Guidance Counselor at Greater Lowell Regional School for sixteen years. During this period of time, Harry provided counseling to hundreds of students preparing to enter the world of work or post-secondary education. Mr. Donovan, due to his extensive military background, most enjoyed helping young adults who were interested in the Armed Services.

The most outstanding quality, however, that Harry Donovan demonstrated was his willingness to help individuals in need. This not only held true for students, but also with staff members extending from cafeteria workers to instructional staff.

Harry Donovan will be missed by his family, friends and students of Greater Lowell Regional Vocational-Technical School.

G. EDWARDS BOYD SPECIAL Multicultural Festival 1990

The Multicultural Festival took place this school year on December 12th and 13th. The school hosted the first high school Multicultural Festival in the area — and what a success! This two day event began with a parade of nations. Ethnic flags, native costume, students and staff representing various ethnic backgrounds, and festival participant from outside the school paraded into the M.E. Mall for an opening ceremony. For two days students, staff and visitors were treated to over 12 ethnic display booths each exhibiting their cultural wares, dress, and cuisine. From kielbasa to springrolls, most displays tempted the taste buds with ethnic foods. Throughout the days, the crowd was entertained with a variety of live performances. Several Native American Indians in traditional clothing demonstrated ancient tribal dances. Latino and Cambodian, Hellenic and Laotian groups danced — some in ethnic dress. Several festival participants played musical instruments. The Lowell National Park also participated in the festival events. Prior to the festival, the park presented a skit on Lowell's contribution to immi-grational trends to the student body in the lecture hall. For the festival, the Park featured a display of old photos of Lowell, and "mill people." The festival was sponsored by the Multicultural Committee here at the VOKE. Special thanks to Mr. Sheehy, Mr. Veves for getting it all started. It was one of the 1990-91 school year's big events.

The War

On January 16th, 1991

The war we were dreading had begun

Praying for peace is all we can do

Wishing this war had never come true

Writing letters and cards to send

Hoping this war soon will end

With camouflage clothes and a tommy gun

They're fighting a war with no where to run

We're tying yellow ribbons everywhere

To show the world how much we care

Reading articles and watching the news

Wanting to find out so many clues

When the soldiers come home safe and sound

There will be thankful people all around

NICKERSON FIELD

Koch & Co. battle to Super Bowl crown

By CARMINE FRONGILLO
Sun Staff

BOSTON — As far as Carl Koch was concerned, it was a decision of matter over mind.

His mind told him to keep off his aching right ankle. But winning the Super Bowl was all that really mattered. So Greater Lowell Regional's senior half-back decided to play through the pain

Despite playing the entire second half with a sprained ankle, Koch withstood the hurt long enough to put the hurt on Nantucket. He rushed for 139 of his game-high 191 yards and scored two touchdowns after the break while leading the Gryphons past the Whalers, 22-14, in the EMass. Div. 5 Super Bowl

yesterday at BU's Nickerson Field.

"My ankle hurt real bad at first," said Koch, who finished the season with 23 touchdowns. "I didn't think I'd be back. But I couldn't handle sitting out, so I decided to play in pain. I can still feel the pain, but it's not as painful as it would have been if we had lost."

Koch injured the ankle with 5:43 left in the second quarter. He sat out the remainder of the first half. At halftime he had the ankle iced down. When Greater Lowell returned to the field, Koch took a couple of practice sprints on the sideline, decided he could play, then spent the rest of afternoon sprinting through the Nantucket defense.

Please see **GRYPHONS/30**

With Greater Lowell's Carl Koch in control, it was over and out for Nantucket in the Super Bowl!

The defense delivered

By CARMINE FRONGILLO
Sun Staff

BOSTON — Throughout the season, Greater Lowell Regional's potent offense came up big on numerous occasions. But with the Super Bowl on the line, it was the Gryphons' unheralded defense that made the biggest play of all.

There was only 1:37 left to play in the game and Greater Lowell's seemingly safe 22-6 lead had been trimmed to 22-14. Not only that, but Nantucket was driving for the possible game-tying touchdown.

The Whalers had moved from their own 20 to the Greater Lowell 33. It was third down and four. Gryphon coach Dennis Murphy called time out. He needed someone to step forward and make a key play. Senior defensive tackle Scott Fournier turned out to be just the someone Murphy was looking for.

Fournier made one of the biggest defensive plays in Gryphon history as he fought off a block at the line of scrimmage, raced into the flat, and intercepted quarterback Chris Frame's pass to end Nantucket's last serious scoring threat and preserve Greater Lowell's 22-14 EMass. Div. 5 Super Bowl victory yesterday at BU's Nickerson Field.

"He made a great play," said Murphy. "It's kind of funny that he was the guy who made the interception. We called time out right before the play and everybody was a little uptight."

"The coaches we're discussing what we're going to do when Scotty walks over and says, 'You guys are just getting nervous. There's nothing to worry about. Let's go.' Then he goes out and intercepts the ball. Incredible. Absolutely incredible."

Fournier's incredible play was due in large part to some all-out hustle on his part. Many

defensive tackles would have slowed down once the quarterback rolled out of the pocket, but Fournier pursued the play in hopes of making something happen.

"I hit my man and I just flowed after the ball," said Fournier. "I was just trying to get in on the tackle. The ball came at me out of nowhere. All I sudden I felt the ball in my hands."

"At first I was thinking end zone. Then I decided I'd better forget about the touchdown and wrap both arms around the ball and hold onto it. It was definitely the biggest play I've ever made."

Fournier wasn't alone. Greater Lowell had plenty of defensive heroes.

Linebackers Mickey Sharpless, Ken Mellen, Mike Camara and Carl Koch were immense. As were defensive linemen Steve Chamberland, Bob Dymment and Howard Dailey.

Jeff Dubey led the way in the secondary with an interception and a fumble recovery. Defensive backs Ben Lugo and Paul Pilato also played well.

"It would have been easy to panic at the end but we didn't," said Chamberland. "That's when we pulled together. No one got mad at each other. Players on a lot of teams may have started yelling at each other at that point but we didn't. We weren't going to let it slip away. This was our game to win."

Over the course of the season, Greater Lowell's battled tested defense gave up some yards, but they didn't give up many points. Especially, when the game was on the line. That's why they finished with a 10-0 record.

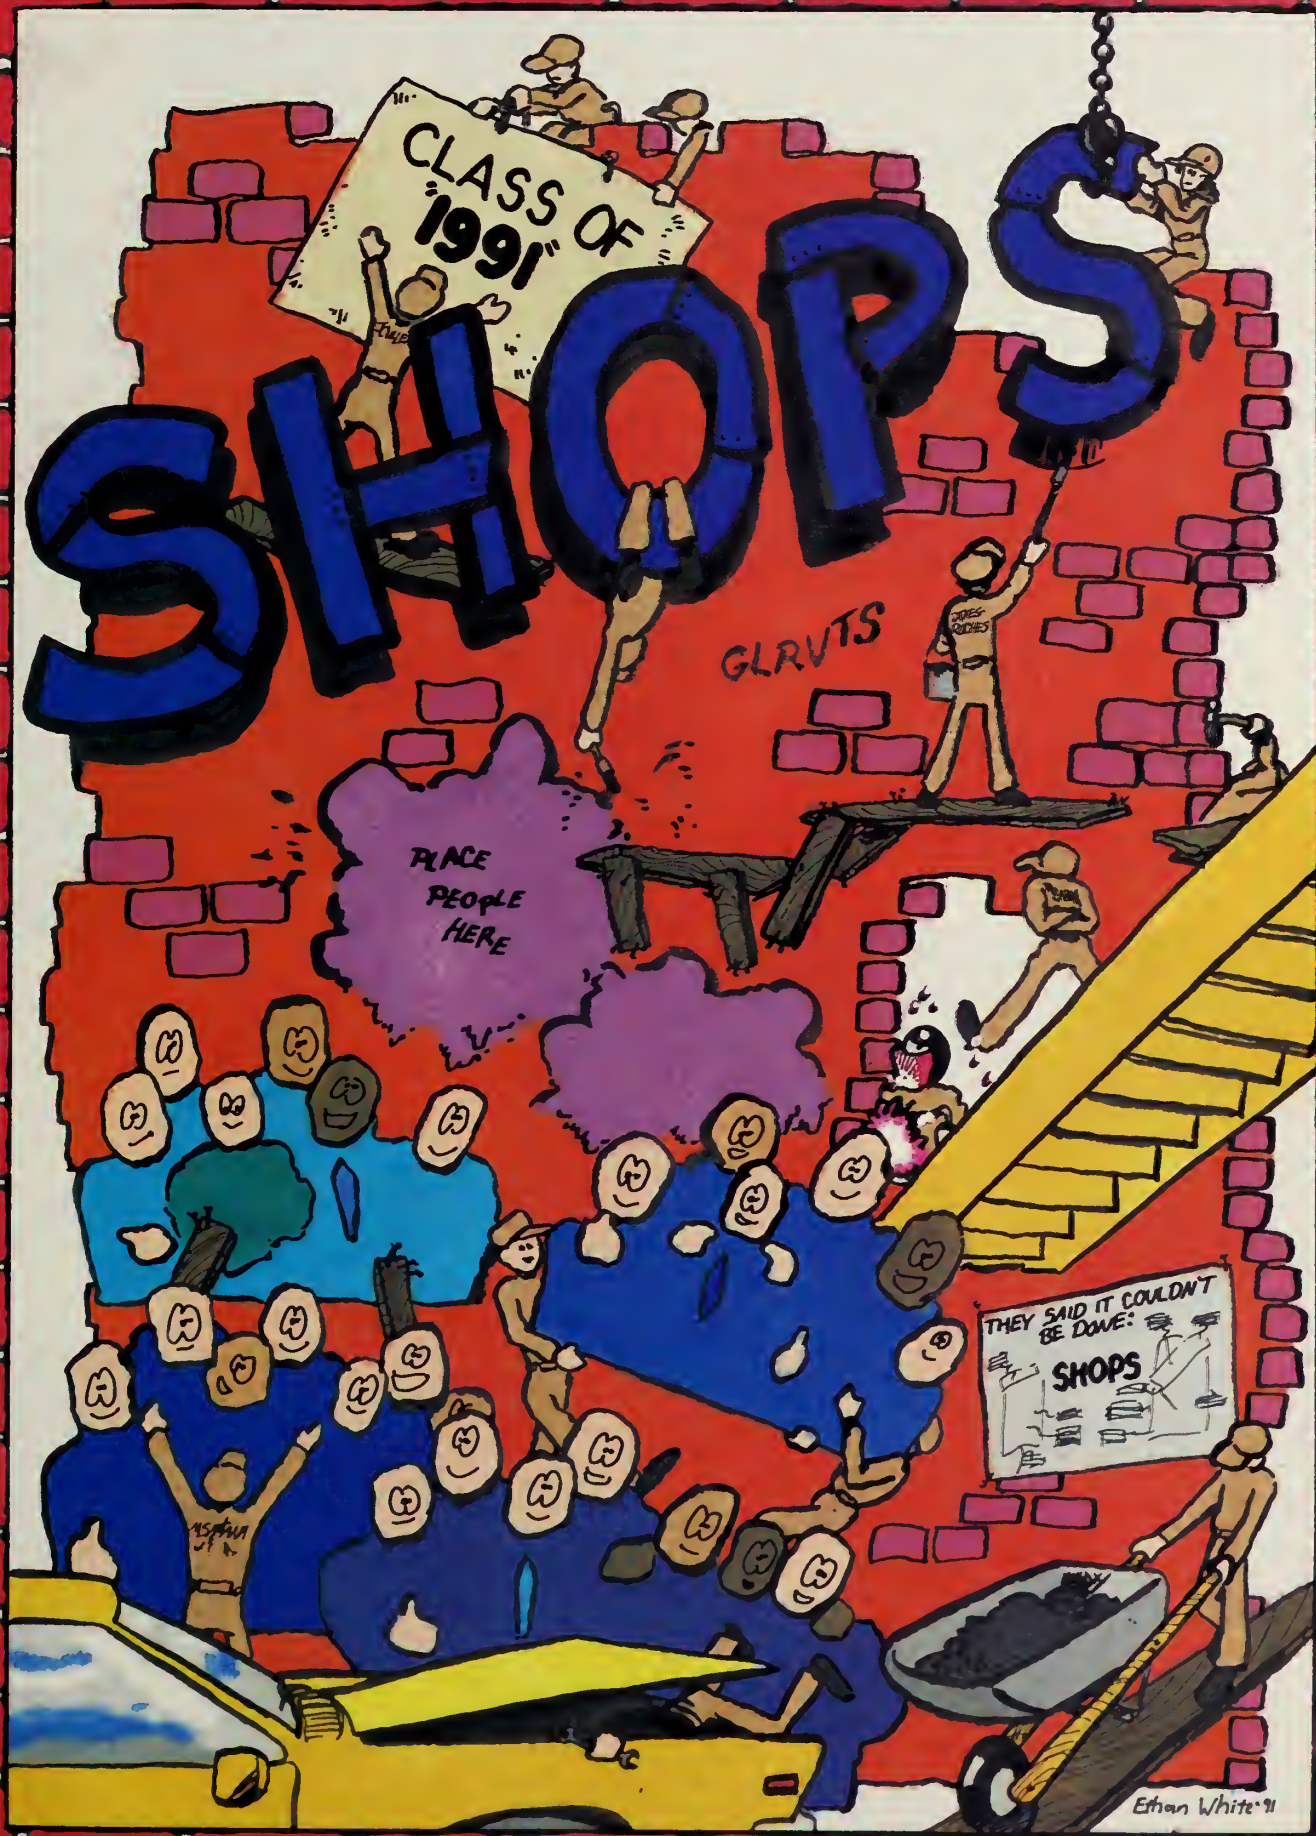

"We're constantly pushing each other," said Fournier. "The guys on our defense go all out all the time. That's how you make things happen. (Defensive co-ordinator) Mr. (Joe) Kane is the prince of defense. With him in charge, I knew we'd come through."

1990 Gryphon Varsity

Undefeated Season

What a season! As tensions grew in the Gulf, the Gryphons prepared for battle against their adversaries. Shawsheen was the first team to face Greater Lowell and the Gryphons came away with a hard fought win. This win definitely pumped up the team and they began to feel the possibility of having a shot at the Eastern Mass. Div. 5 Super Bowl, which they won in 1986 and lost in '88.

After defeating every other team in the Commonwealth Athletic Conference, as well as a very tough division two team from Ayer, they were down to their last regular game of the season against arch rival Gr. Lawrence. Coach Dennis Murphy wrote the words, Do You Want It or Just Wish it?, on the chalkboard in the locker room just prior to the game. Well the Gryphons made sure their wishes came true because they went out and defeated Gr. Lawrence 29 to 14. From there they went on to defeat Nantucket in the Super Bowl 22 to 14, WOW!

Cheerleaders Are Athletes

What is it like to be a cheerleading coach? Being a cheerleading coach is like putting together a jigsaw puzzle while taking a roller coaster ride. Every sideline cheer, every quarter cheer, every time out cheer and every half time cheer represents a masterpiece puzzle, be it small or large. All of the pieces assemble, splash on their smile colors and gently, but firmly, and occasionally painfully, fit snugly into place. Whoosh! The picture is made and all of the pieces prepare to rearrange themselves for another view. The cheer coach is simultaneously happy and sad, frustrated and exhilarated, as the roller coaster whips up and down.

Being a cheer coach is a challenging learning experience. Its main reward is watching the cheerleaders accomplish what they set out to do. They have proven to me that a cheerleader is an athlete.

Homecoming Queen Nominees for 1990

Homecoming Weekend — Huge Success

Homecoming weekend (Oct. 26 - 28) was filled with great activities. Friday, the 26th, festivities began with a pep rally in the gym. This year's rally theme was "Very Important Part" — V.I.P. A lip sync and dance group called "The V.I.P." stirred the student body's enthusiasm for the weekend events. The winner for Homecoming Queen was announced. It was Katie Glaude, in her Court were Jen Lawson, Michelle Hovey, Amy Taft and Kim Kinsley, as shown above. That weekend sport events kicked off Friday night with a soccer match against Wilmington. Saturday, the Varsity Football team brought in a victory against Georgetown H.S. 25-20. The weekend ended with an Awards Banquet and Hall of Fame dinner.

End Of Special Era

The Gryphons Volleyball Team had another successful season in 1990. Their final record stood at 13-8, including a tough 3-2 loss to St. Mary's of Lawrence in the State Tourney. The Gryphons finished second behind Chelsea in the CAC with a 10 and 5 record. Some of the highlights of the season included the Gryphons beating CAC rival Gr. Lawrence for the first time ever! The team also defeated rival Bishop Fenwick on the road for the first time. Amy Taft was named MVP and Steph Grondin was given the Boosters Club Award.

This season completes the end of a special era for the volleyball program as the ten seniors who graduate this year have been an integral part of the revitalization of the team for the last 4 years. Their record over the last 4 years is 40 wins and 30 losses. The previous 4 years before their entering as freshmen was 6 wins, 53 losses.

"Never Quit Hustling"

The Greater Lowell Varsity Soccer Team experienced the full gamut of emotion this past season, from the thrilling early season victories over Chelsea and Greater Lawrence that sent shock waves through the C.A.C. That Greater Lowell could compete with the "Big Boys" (including a tie with eventual C.A.C. Champions Shawsheen) to eight close losses that were tough played games that were not decided until the final whistle; The Gryphons never quit hustling!

To you Seniors who gave it your best; I want to thank you all for being part of an exciting soccer program and for being a fine example to the younger players in our program. Try to remember the value of discipline, teamwork and responsibility, as well as all the fun we had together.

Team Spirit, Team Success

"Undefeated"

One goal many student-athletes dream about in high school athletics is to attain the status of "Undefeated" for a sports season at any level. By winning 16 straight games, you all have a right to be proud of our team and yourselves as individuals.

Your greatest pride, however, should be found in being part of a group of young people who commit themselves to supporting each other in practice, games and in school. This support, enthusiasm and dedication are the true reasons for your success. By practicing hard each day and responding with determination when we encountered set-backs, you sparked the Gryphon Spirit to grow within each team member.

It is my hope that you apply this Gryphon Spirit not only to basketball, but more importantly, in school and in your daily life. It will enable you to remain champions as young people. This spirit is the reason you have become winners. It is why I would have remained a fortunate and winning coach if we did not win many games. I urge you to keep winning on and off the basketball court.

Thanks for a great season and greater friendships.

Proudly, Coach Burgess

C.A.C. Champs

The Varsity Softball Team captured the C.A.C. championship for the first time since 1987. The team was led by 6 talented seniors. Capt. Brenda Langlois, Capt. Karen Gath and Capt. Stephanie Grondin all made the C.A.C. All-Star Team. Kim Stinchfield, Rebecca Rich and Stacy Rousseau all put their hearts and souls into winning the championship. Underclassmen Rebecca Sweatt, Cheryl Lemoine and Cherie Surprenant all played an important part this season. This team also went to the semifinals of the Div. one state tournament last year. There are 5 members of the team on the National Honor Society and the 2, 7, 14, and 43 ranked seniors.

National Vocational Honor Society

Maggie Carter, Joseph Caggiano, Bruce Foley, Jennifer L. Fleming.

Membership in the National Vocational Technical Honor Society is bestowed upon those Junior and Senior students who exhibit the qualities of citizenship, leadership, workmanship and scholarship. Any Junior or Senior student who has a cumulative average of 85 or higher is eligible for consideration. Transcripts, Attendance and Discipline records are carefully scrutinized and eliminations are made on the basis of pre-determined criteria. The teachers of those students who have met the above mentioned requirements received a nomination form. The committee, Nancy Rayne, Judy Bent, Martha Nawn, Kathy Murphy, Ernie Hebert, Ted Lynch, and Kevin Frost reviewed these reports before making the final decision.

Valedictorian Ethan S. White being congratulated by William J. Collins — Superintendent — Director.

Ethan S. White, son of Suzanne White of 340 Parker Road in Dracut, is the proud recipient of the highest honor bestowed on the Class of 1991, that of Valedictorian. During his four years in the Commercial Art Program, Ethan accumulated a truly fantastic weighted grade point average of 97.74. He is currently self employed as a Free Lance Artist. Ethan's future plans include attending Middlesex Community College to major in Liberal Arts prior to beginning a full time career as a Free Lance Artist. Active in school activities, Ethan is a member of the National Vocational Technical Honor Society, provided artwork for the 1991 Yearbook, and has been a VICA Gold Medal winner at in-house competitions the past two years, a VICA Gold Medal winner at this year's State Competition, and will be representing Greater Lowell competing in the VICA National Competitions to be held in Lexington, KY, in June.

The recipient of a Brendan Farrington Scholarship, a Greater Lowell Regional Teachers Organization Scholarship, and a Northern Middlesex Chamber of Commerce Scholarship, Ethan is honored as our school's highest ranking student and will deliver the Valedictory Address at Commencement Exercises on May 31st.

Edward M. Olin, Jr. being congratulated by Kathy Conole.

William J. Collins Superintendent-Director with Salutatorian Kimberly M. Stinchfield.

Kimberly M. Stinchfield, daughter of Mr. and Mrs. David Winston of 285 Forest Street in Dunstable, is the second highest ranking student in the Class of 1991. Kane Merit Award, a Greater Lowell Regional Teachers Organization Scholarship, and earlier this Spring was selected as one of the state's Top Five Vocational Technical Students.

Certainly one of the most active members of our Senior Class, Kim has been a member of our volleyball, swimming, and softball teams, the Varsity Club, National Vocational Technical Honor Society, Student Task Force on Race Relations, SADD, a DECA Delegate, a VICA State Officer, a Student Council Delegate, and has won numerous achievement and sports related awards during her high school career.

This year's winner of Greater Lowell's Daughters of the American Revolution Good Citizenship Award, Kim also has found time to serve as the Student Representative on the Greater Lowell Regional School Committee and to serve as a volunteer Student Athletic Trainer in our sports program. Kim has been accepted at Springfield College and in the Fall will begin her studies in the field of Athletic Training and Physical Therapy. Welcome to the Past

As you look through these pages
Remember, remember the teachers,
Homework and friends. Remember
The good times and the bad. Think
Of the times you wished would
never end.
Always remember being a teenager,
The best years of your life!

Welcome to the Past — A time when
You never thought about being old,
A time when you never did what you
Were told. Skipping classes, coming
In late. Hoping no one sees you when
You're running the back gate.
Standing in the parking lot talking to
Your friends. And sitting in detention
Thinking the day will never end.

Welcome to the Past — A time of boring
Lectures and failed test grades and
Working really hard to be good in your trade.
Think of your teachers, Murphy and Fallon too,
Showing off in class, and getting in house
For skipping school.

Keep the memories of high school fresh in
Your mind, adulthood is coming, it's not
Far behind.
Your years at Greater Lowell
Have sure gone by fast, but
Never forget them, always . . .
Welcome in the Past.

By Jessica Brunelle

It's Time To Go

For four straight years,
You've helped us grow.
Now the time has come,
To let us go.

We'll have new lives,
New friends to trust.
But we'll always remember,
You were there for us.

In times of need,
In times of pain.
You dried our tears,
Or helped explain.

You shared our good times
And comforted us during the
bad.
Thanks for making our high
school years
The best we've ever had.
Thank You, The Senior Class
